Guiding Question:	Answers from Video:	Additional Evidence/Examples
How did the Mexican Cession reignite debates over slavery?	**Many northern congressmen supported the Wilmot Proviso to ban slavery in the newly acquired territory, but southern congressmen were outraged at the thought of losing political power.**	• Gag Rule • Free Soil movement
How did the three major views on slavery reflect the growing sectional tensions and political debates?	**Free Soil appealed to many northerners, who argued that slavery undermined economic growth by limiting white landownership in new territories. They opposed the expansion of slavery.** **Abolitionists argued that slavery was immoral and highlighted its dehumanizing nature in books like Uncle Tom's Cabin, which offended southerners who felt that it unfairly characterized slavery. Abolitionists also helped enslaved people escape to the North via the Underground Railroad. Others, like John Brown, argued that rebellion was the only way to secure abolition. He led a failed raid on Harper's Ferry that convinced many southerners that northerners were trying to use force to end slavery.** **Southerners increasingly argued slavery was a positive good that benefited enslaved people and reflected the "natural" racial superiority of white people. They claimed that slavery was profitable and that it was much better than the "wage slavery" of northern factory workers.**	• Frederick Douglass • Grimké sisters • *The North Star* • *The Liberator* • Hammond's Mudsill Theory • King Cotton and economic "benefits" of slavery • Freedom suits
